In the history of fire insurance in America, a large majority of the fire insurance companies organized have failed or retired from business. To be insured in companies like Weil's, that have been in business a hundred years and will be in business a hundred years from now, costs no more than to be insured in one that may go out of business next week.

It was fortunate for the Indians that they got a whack at Yon yesterday or else they might have been playing at League park yet without making a score. Right in the first inning the Indians started in on the little southpaw, and batted in three runs. Manager Johnny Ray threw out the life line, and yanked him to the bench, and Deems was sent to the firing line. One more score was made before the inning was closed, but after that not a runner crossed the home pan. The game ended 4 to 0 in favor of the locals.

Gwinn pitched for Paducah, and there is no use trying to take the honors away from him as he twirled a beautiful game. Only one scratch hit was secured off him, and that was in the fourth inning when Brown ripped out a safety to left field. However, he died on the bags, and Hoptown never threatened to score. Opposed to Gwinn was Deems, and he also pitched some tall ball. When he entered the box the game was already lost, but he slapped on the brakes to the hitting feast of the Indians and allowed only one hit while he was in the box, which was practically all of the game. Had Deems started the contest it probably would have required extra innings to have settled the argument.

Hoptown went down in order in the first inning, as they were unable to touch the curves of Gwinn out of the diamond. Chief Angermeyer was first up for the tribe and he stopped one with his slats. Vonadore sacrificed him to second, going out himself, Yon to Brown. Anderson followed with a bingle over second, and Angermeyer raced home with the first score. Lockhart was given life at first when Gruesser made a low throw to Brown, and Anderson scored on the play. Block singled over second, and Overtown duplicated the act, scoring Lockhart. Manager Ray decided that the Indians were entirely too familiar with the puzzle of Yon, and sent in Deems to check the scoring. Payne hit to Deems, whose throw to Gruesser was too late to head off Block from scoring. Payne reached second and Gwinn was walked. The inning was closed with a neat double play. Woodring hit to Deems, forcing out Overtown at the pan, and Gruesser shot the ball to Brown, retiring Woodring at first.

After the first inning Deems had the number of the Indians, and in the remaining innings it was one, two, three up and down, for both sides. The Indians scored a double play in the third inning. Deems was safe at first on an error by Vonadore. Lyons hit to Anderson, who threw to Vonadore forcing out Deems, and Vonadore hurried the ball to Block, and Lyons was out. It was ladies' day and a fair sized crowd was out. The attendance is not what it should be by any means, and if the fans want to continue enjoying league baseball they must boost, and help the team out.

## Scrap at Vincennes.

Vincennes, Ind., July 19.—Aside from the baseball game the fans enjoyed a scrap yesterday afternoon between Manager John Nairn of the locals, and Rainwater, the first baseman of the visitors. Both players were put out of the game for their conduct. Vincennes won the game by a score of 2 to 1. It was a pretty pitchers battle between Beasley and Hoyt.

## Wellies vs. Culleys.

The Wellies will cross bats with the reorganized Culley team tomorrow morning on the I. C. R. R. shop diamond at 9 o'clock if weather permits. The batteries for Wellies, Switzer and Mercer. The battery for Culleys, Ross and Ross.

## Baseball Talk.

It will sound like the days of old tomorrow when the umpire announces the battery of Hopkinsville as Bonno and Nippert. Manager Ray announced today that he had signed Gus Bonno, and that he would arrive this evening with Nippert, and the two would compose the battery of his team against Clarksville tomorrow. Both have been playing with Huntington, W. Va., but the league is shaky, and they were awarded their freedom.

If Paducah takes the game this afternoon it will be three out of four.

Manager Angermeyer announced today that he had given Harris his release. Harris has been out of condition for a week, and unable to take his turn in the box. He is a splendid pitcher, and when working right is welcome on the staff of any team in the league.

Demaree and Gruesser will compose the battery for Hopkinsville this afternoon, while "Rube" Floyd and Overtown will work for Paducah. The Indians will leave tonight at 6:20 o'clock for Vincennes, where they play a series of four games. From Vincennes the team will jump to Clarksville for three games. The fourth game of the series will be next Sunday and will be played in Paducah.

Manager Angermeyer is correspond with a young southpaw twirler that he is trying to add to his staff. Paducah hasn't a single left handed pitcher.

The Vincennes Capital announces that Manager Nairn of the Allice, has struck out only four times this season on the Vincennes diamond. Lockhart was one of the four and the only Paducah twirler to accomplish the feat. Nairn is a terror to the Kitty pitchers.

The receipts of sheep and lambs were 1,570 head, for the week thus far 28,065 as against 28,961 for the same days last week, and 33,620 for the corresponding period two years ago. The supply of lambs on sale was smaller than for some weeks past, quality not very good, and the market just about steady; while the bulk of the best lambs here sold at 6½¢ to some fancy central Kentucky lambs would have easily brought more money, seconds 5@5½¢, culls 3@4¢. Fat sheep were steady at 3@4¢ down, common sheep hard to sell. Bucks 3¢ down. Fair call for prime to fancy stock ewes, plain and common ewes slow sale.

## Cattle.

The receipts of cattle were very light, only 15 head of fresh arrivals here, making a total of 1,858 for the week thus far. There were only a few buyers here, the demand scant, and the market exceedingly quiet throughout the day. There was some little demand for light butcher cattle around steady figures but the medium and inferior kinds were neglected and slow sale, some thought the grassy half-fat kinds (especially 900 lbs. to 1,100 lbs. steers) were a little lower than early in the week. Good bulls were steady, common bulls and canners very dull. Nothing doing in the feeder and stocker line, feeling about steady. Milch cows slow, no prime heavy cattle here, feeling easy. Some sales are late sales of yesterday.

## Calves.

Receipts 113, for the week thus far 870. The market ruled about steady, the best 8@8½¢, some fancy higher, medium 6@8¢, common 3@6¢.

## CAMPAIGN AGAINST STANDARD.

Independent Petroleum Marketers' Association Acts.

Louisville, Ky., July 16.—The annual meeting of the Independent Petroleum Marketers' Association of the United States, the first since the body was organized, is being held in Louisville today. The principal business before the association is the hearing of reports of officers, discussion of freight rates and the election of officers. Thomas L. Higen, who was a candidate for president of the United States on the Independence League ticket in 1908, is the president of the association. A luncheon at the Seelbach hotel last evening developed into something like the opening of a campaign against the Standard Oil company. President Higen delivering an address vigorously attacking the methods of that corporation.

Housework is regarded as the cause of insanity among women. Insanity experts, as a rule, do not concede this, but many persons who spend much time studying statistics concerning the inmates of insane asylums point out that 50 per cent of the women admitted to such institutions were engaged in household work.
